Renting is their No.1

Specialising in happy tenants and landlords

THERE is more to One Choice Realty than just a name – the business dominates when it comes to property management. Principal Tracey Bulmer is celebrating the second birthday of her business and relocating from Treetops Shopping centre to Varsity Lakes. One Choice specialises in giving landlords and tenants focused and equitable service. “We just do property management and rentals. No sales,” Miss Bulmer said. The business owner saw potential to improve the standard approach to property management after 14 years working in the field for large real estate companies, and through personal experience. “Renting is considered the poor cousin in the corner,” she said. “I experienced it when I

moved here about seven years ago; the receptionist would point to the list, or the sales person would be gone before you finished your sentence.” The business motto is to deliver more than expected. “Clients don’t have to fill or tick boxes the way they may have to with big

companies,” she said. “We cater to landlords, with stress-free management and provide lifestyle for tenants; we help them find a place to live that suits what they want from life.” What seems to be an all-round friendly approach is working well for the

business. “We are more than happy to give free advice to renters or people with investment properties. That is what we are here for,” Miss Bulmer said. 5/220 Varsity Parade Varsity Lakes. Phone 5689 1111 or visit <http://www.onechoicerealty.com.au/>.
